Winter Chalet 2024

Introducing our exclusive Holidays cocktail menu, inspired by both timeless Christmas silver screen classics and modern blockbuster hits. Each handcrafted drink is designed to transport you to a cozy alpine chalet, where the snow softly falls outside and the warmth of the fire flickers inside.

Imagine sipping on these festive delights after a day on the slopes, as you relax and watch your favorite holiday film. From the nostalgic flavors of bourbon and cinnamon, to the cheerful sparkle of citrus and spice, each cocktail invites you to embrace the spirit of the season, creating moments as memorable as the movies that inspired them.
